

Welcome to NoteRunner-Studio and thank you for your purchase! NoteRunner-Studio is an amazingly powerful yet easy-to-use tool that will help you to take your entire studio experience to the next level. From communicating with students and parents to automatic billing and scheduling, our goal is to give you a virtual backend team that will work tirelessly behind the scenes so you can focus on the things you do best.

At this time we are busy setting up your personal backend site and we will be reaching out to you within the next 2 business days to walk you through the final steps of the set up process. In the mean time, if you have any questions please email me at jen@noterunner.com. We're looking forward to working with you!
