

“I teach and direct violin classes in 25 school in Honolulu, Hawaii. I have used the materials by Janice Malan in my classes with my students. They love FOLLOW THE LEADER and have found a renewed excitement in ensemble playing. I would **highly** recommend this book to any school system or studio.”

Sincerely,

“Janice Malan has written canons which lend themselves nicely to the instruments. They are melodious and compliment other material for the 2nd or 3rd year student.”
